Greetings LTI Students and Graduates,

I pray all is well with you. Life is good, times are hard, and Jesus is coming soon.

Life Training Institute is pressing forward. Let me encourage you with 2 Tim. 4:5 *"But you be watchful in all things, endure afflictions, do the work of an evangelist, fulfill your ministry."* The investments and sacrifices you have made are not in vain.

No matter how difficult life seems at the moment, God always has a plan and it does not include fear or failure.

## Web site

Your names have been added to the LTI web site. Check it out by going to *About* in the header menu, and in the drop down box it is entitled *Graduates / Students*.

Do me a favor... if you have not received and responded to an email from LTI asking for an update to your contact information, then please go the *Contact* page. Fill it out and click Submit.

While you are on the web site, check out all the new items. Our DVD driven courses are now available as online video with pdf manuals. That enabled us to

greatly reduce our tuition rates. You can now take that class you wanted at a lot less money and with more convenience. Example: The Sclerology course is now only \$159 (online video, pdf manual, and the eye chart).

All programs are now available as “pay as you go”. Enroll online and pay for the next course in your program when you are ready. So if you need to finish your program, it can all be done online. And we added a PhD program by combining together BND option 1 with BND option 2.

A Group Forum has recently been added to enable everyone to ask questions and provide answers to help each other. The link is on the *Home* page as a button entitled “Group Forum”.

And to top it off, there is now a log-in for Practitioners. There you will find an assortment of tools, tips, and protocols to assist you with your clients. The link is a button on the *Home* page entitled “Practitioner’s Login”.

## **Renewal**

If you are certified or licensed or ordained through Life Training Institute, we have made it easy for you to renew your credential. Just go to the web site and click on the menu link that says *Renewal*. Renewal is not required for graduates with degrees. If you have never renewed with LTI, we have made it very easy and it is all spelled out on the web page. Just fill out the Renewal Form on left side of the page to submit your information; then pick your payment option on the right side of the page. You can pay with credit card or with PayPal and the fee is minimal.

# Summer Special

Until the end of July, LTI is offering a scholarship for all new degree program enrollees. The new program enrollee only pays half of the tuition, but it is paid with one payment. On the web site, go to *Tuition* and it is entitled *Scholarship* in the drop down box. Fill the Scholarship Application and submit it. We will contact you once we confirm your application. Then you can pay half of the tuition through sending us a check or paying with credit card over the phone. Let your friends know.

And for all other program enrollees, LTI is giving away a pdf copy of my latest book called "Living Disease Free in a Sick World", which was being offered for \$29. Let your friends know.

And lastly, if you have a group wanting to learn Sclerology or a church group wanting a general health class; give me a call and let's visit.

In Christ,

Pastor Bill Yeary, BND, ND, CS, CCII, CFCC
